Summary

To strive for Excellence in the field of Banking & Finance as a Risk Analyst – with dedication, focus, proactive approach, positive attitude and passion and to utilize my knowledge and skills in the best possible way for the fulfilment of organizational goals with intuitive skills like AI and ML and Deep learning

Software engineer with 4+ Years of Experience in Cards, Payments, Invoices, and acquiring services with mainframe technology stack.
With self-interest, developed my professional skill set with programming languages like python, python Data science frameworks, and ML as an avid enthusiastic learner who participated in Hackathons and Kaggle competition, and solves case studies.

Following gives the overview of my professional expertise-
- A client/ customer-centric professional with Onsite experience at NETS Denmark A/S as an external Information Technology Consultant for Card Acquiring and Merchant Services.
- Proficiently skilled in handling XML files and data in the mainframe.
- Experienced in solving batch and real-time errors in acquiring and merchant services.
- Experienced Systematic developer with good knowledge in Banking and financial services.
- Strong knowledge in Merchant settlement, payments, collections and reconciliation, Risk management, transaction handling.
- Have good knowledge in Danske bank, Nordea & Dnb Nordics, E-CARD Poland, DIBS Payment processing.
- Strong knowledge in Webservices, SOAP UI, DataPower integration, and solved many technical challenges in the Merchant Onboarding for PAN NORDIC.
- Successfully solved technical challenges in the Acquiring system for maintaining production stability.
- Directly interacted with business SMEs and customers for gathering requirements and solving business issues with an analytical skillset.
- Always had a better understanding of the requirement and proposed a well suited systematic solution approach that benefits the business.
- Proper management of the timeline estimated for the projects. and developed and delivered SDLC artifacts with ensured quality.
- Pro-actively Identified system bugs and provided quick solutions.
- As Project Quality Facilitator, ensured the quality of the deliverable, and acted as a Junior Quality Manager for Cards Acquiring.
- Always will lend a hand to fellow colleagues in the team when they are stuck up with solving the problems.
- Brainbench certified Mainframe COBOL Developer.
- A budding ML aspirant with knowledge in Stats, Linear Algebra, Data structure algorithms, system design, data pre-processing, feature engineering, and model deployment.

Experience

LTI **Software Engineer**
LTI - Larsen & Toubro Infotech
Dec 2016 - Present (4 years +)

Information Technology Consultant , Mainframe Operations, Junior Quality Manager

Nets Group

Sep 2019 - Jan 2020 (5 months)

Education

International Institute of Information Technology Bangalore

Post Graduate Diploma, Data Science

2020 - 2021

Specialization:

• Linear/Logistic Regression, Advanced Regression Techniques, Clustering, PCA, SVM, Tree Models, Random Forest, Bagging ,Boosting,Time Series

• EDA, Inferential Statistics, Hypothesis Testing, Predictive Analysis

• Python, Pandas, NumPy, Seaborn, Matplotlib, Sklearn, Tableau, MySQL,Excel

Anna University

Bachelor of Electronics and Communication Engineering, Electrical, Electronics and Communications Engineering

2012 - 2016

Licenses & Certifications

CCNA switching and routing and networking - Cisco

INFOSYS CAMPUS CONNECT - Infosys

2015-755-03-1

Brainbench - Brainbench

Certificate for DS C18 Course 1 LOA - GPA - 3/4 - upGrad

DS C18 Course 1 LOA

Mastering The Complete Agile Scrum Master Workshop - Udemy

UC-85d70b89-8315-4f39-8440-b1782aa6de04

Introduction to Machine Learning - Kaggle

Skills

Python • MySQL • Data Analytics • Programming • Research • Strategic Planning • Payments • Data Analysis • inferential statistics • Credit Cards

Honors & Awards

IETE Student Chairman - IETE

Jun 2015

Served as an IETE Student Council Chairman during my undergrad for P.A. College of Engineering and Technology,Pollachi,India

Pat on the Back - LTI - Larsen & Toubro Infotech

Sep 2018

Received the Pat on the Back award for solving major technical challenges for the Card Acquiring products for NETS Denmark A/S as an external information technology consultant.
