Rewarded by LTI for Outperforming in the Team for dedication in work, Good command in the business of CAPS System, Completion of tasks with zero defects

Appreciation from Karin Brennalt - Lead SME - Central Europe & Special Tasks, NETS A/S Denmark
There is no better colleague than Srinivasaragavan. He is one of the most dedicated professionals I've worked with and is willing to put that extra help whenever you need it. His expertise is considerable, and it has helped our team and the business to come up with more efficient solutions on different projects and internal processes. His contribution is valuable and I highly recommend him. We would love to work with him again
